Note: Some of the material in this book is very technical and involves issues where professional judgment is imperative. Material may be outdated. Many hedge funds display unique aspects that may contradict statements in this book. The information in this book is believed to be reliable but it is up to the reader to confirm everything with lawyers, regulators, accountants, investment professionals, or tax professionals.

Limit of Liability/Disclaimer of Warranty: While the publisher and author have used their best efforts in preparing this book, they make no representations or warranties with respect to the accuracy or completeness of the contents of this book and specifically disclaim any implied warranties of merchantability or fitness for a particular purpose. No warranty may be created or extended by sales representatives or written sales materials. The advice and strategies contained herein may not be suitable for your situation. You should consult with a professional where appropriate. Neither the publisher nor author shall be liable for any loss of profit or any other commercial damages, including but not limited to special, incidental, consequential, or other damages.
